

She has been
waiting all her life
to meet someone
like you.

“How then will they call on him in whom they have not believed? And how are they to believe in him of whom they have never heard? And how are they to hear without someone preaching?” **Romans 10:14**

It's easy for us in the Western world to believe that Muslims are resistant — or, worse, hostile — to the Word. But the reality is that most Muslims have simply never had the opportunity to hear the Gospel. In fact, 86 percent of Muslims have never met a true follower of Christ — someone like you.

At Frontiers, we feel this number must change. And the time is now. The Muslim world is shaking. Miracles, signs, and wonders are happening for God's glory. Muslims are turning to Jesus in unprecedented numbers.

At this pivotal moment in history, you can be the one through whom Muslims taste the grace and mercy of Christ. With your support, we can recruit, train, and send the bold missionaries who will share the Good News with the millions of remaining unengaged Muslim people.

The call to take the Gospel to the ends of the earth is as urgent and compelling now as it was in the days of the Apostles. But we can't answer the call without your help.

God is at work — more Muslims have come to Christ in the last 40 years than in the previous 1,400!

“After this I looked, and there before me was a great multitude that no one could count, from every nation, tribe, people and language, standing before the throne and before the Lamb.” **Revelation 7:9**

THIS IS THE TIME:

Be part of this historic movement.

The work God is doing today among Muslims is historic and unprecedented. Never before have so many Muslims come to faith in Jesus. These are not just isolated individuals but entire families and communities.

This is a time of opportunity in the Muslim world. For the first time in history, we can truly see the possibility that all Muslims will have a chance to hear the Gospel. To adapt Winston Churchill’s famous phrase, we are not yet at the end of the Great Commission — we are not at the beginning of the end. But we are nearing the end of the beginning. With your help, we will complete the task of beginning the work of planting churches among the hundreds of remaining unengaged Muslim people groups.

The problem is that we have more opportunities than missionaries. And we don’t know how long the door will stay open. Now is the time to recruit more workers — and release a powerful flow of missionaries to the unreached corners of the Muslim world.

Pray that Muslims will know that God desires for everyone to know Him as children and not as slaves (Galatians 4:7, Matthew 18:3).

RECRUIT

It takes a special breed to go beyond the frontiers... to venture where no missionary pushpins are on the map. You can help recruit and encourage those who will share the love of Christ with Muslims.

Total Need: \$5,782,624

- Fund eight U.S. Area Mobilization Offices and increase the reach of our recruiting efforts: **\$514,246**
- Fund our secure password-protected website: **\$31,210**
- Help build our network of strategic partnerships: **\$108,414**
- Support our church relations efforts: **\$131,640**

Your underwriting of basic recruitment costs will help us gather the people God is calling to proclaim His word among Muslims.

“And I have other sheep that are not of this fold. I must bring them also, and they will listen to my voice. So there will be one flock, one shepherd.” **John 10:16**

THESE ARE THE PLACES:

Help us go where Christ is not yet known.

The Great Commission knows no boundaries. Indeed, Jesus commanded His followers to go to “all of the world” — not just the easy places or the convenient places. Reaching the remaining unengaged Muslim peoples requires sending our brave missionaries where the people are trapped in bondage to a religion that offers no promise of salvation — where they are exhausted with their endless pursuit of good works. But God’s Will cannot be thwarted. And in just the last few years a handful of Muslim background believers has grown into a movement of disciples.

Of course, the needs are still great. In North Africa, there is roughly one missionary for every 2 million Muslims. In northern India, the number is roughly one missionary for every five million Muslims. Remember, there are no “closed countries” — maybe some that take hard work to get into, but none that are truly off-limits to the Gospel. With your help, Frontiers will train the next generation of missionaries to reach the remaining places where Christ is not yet known.

Imagine an entire generation of Muslim men, women and children finding Jesus — and then permeating their families, their communities and even their culture with the love of Christ.

TRAIN

Through innovative training and coaching programs, you can walk alongside men and women as they prepare for service to Christ in the Muslim world.

Total Need: \$2,290,646

- Provide Business as Mission mentors: **\$32,811**
- Prepare potential field workers with intensive Candidate School training: **\$243,922**
- Connect candidates to Fieldprep coaches: **\$212,296**

With your support in the area of training, we can continue to prepare Frontiers teams to be more effective, better equipped Kingdom workers.

“The harvest is plentiful, but the laborers are few. Therefore pray the Lord of the harvest to send out laborers into His harvest.” **Matthew 9:35-38**

THESE ARE THE PEOPLE:

Something amazing happens when Muslims fall in love with Jesus.

God is moving mightily among the Muslim people around the world — through dreams, healings, deliverance, and freedom. When they accept God’s gift of salvation and eternal life, Muslim-background believers follow Jesus with everything they have — serving people in need, proclaiming the Gospel and making disciples.

Yet many of these new converts suffer for their faith. (Indeed, they are taught, from the Bible, that they can expect persecution.) Often martyrs, they are people of unbelievable courage — and they need all the support we can send them. Because, when they discover that God really loves them, no power in the world will stop them from sharing it with others!

When you partner with Frontiers, you will be helping us go to places where the church isn’t. You will be supporting those who are hungry to please God as they share the Word with others.

The God of Love and Grace is writing a new story of Islam in our lifetimes.

SEND

We are convinced that God’s primary means of relating to and transforming the Muslim world is through the church. Help us send missionaries to plant the seeds where there are no churches.

Total Need: \$1,901,255

- Provide scholarship funds so that returning field workers can attend Oasis Retreats: **\$10,402**
- Provide much-needed Member care by supporting the Barnabas Team: **\$411,405**
- Subsidize technology needs to support our Recruit, Train and Send efforts for one year: **\$342,351**

With your gifts, you will be supporting those missionaries who carry the message and the church-planting movement that is changing the lives of Muslims everywhere.

“And I will give them one heart, and put a new spirit within them. And I will take the heart of stone out of their flesh and give them a heart of flesh, that they may walk in My statutes and keep My ordinances and do them. Then they will be My people, and I shall be their God.” **Ezekiel 11:19, 20**

How will Muslims respond to the gospel if they have never heard it?

In His final words before ascending to heaven, Jesus commanded every Christ follower to become a partner with Him in engaging lostness everywhere.

For the Muslim world, that means carrying the Gospel to the hundreds of millions of Muslims now living without a witness — without someone who is willing to share with them about Jesus’ life, death and resurrection.

Just as important was the promise Jesus made that He will always be with us in that task.

Will you be intentional in obeying Jesus’ last words? As believers, we have a choice to either focus on what separates us from Muslims (living in fear and self-protection) or to obey Jesus’ call to make disciples of all peoples, including Muslims.

God is doing what only God can do — and inviting His people to join Him in the Muslim world.

With love and
respect, inviting all
Muslim peoples to
follow Jesus.
