Target Audience:

People we want
to do business with
again next year.

**Try A/B
split test?*

Tone:

Respectfully joyous

Happy Holidays!

We've had the good fortune of working on great projects
with incredible people at fascinating businesses. For that, we are grateful.

That's About as Direct as We Can Say It!

Terms of use: User agrees to accept this greeting with no obligation — implied or implicit — for the period of one year or until issuance of subsequent glad tidings, whichever comes first. Best wishes are revocable at the sole discretion of the wisher, and no promise is made by the wisher to actually implement any of the wishes. Void where prohibited by law. By accepting this greeting, you are accepting these terms.
